A wooden frame containing two analog gauges. The left gauge is labeled 'SALINA THERMOMETER' and has a scale from 0 to 120 degrees Celsius. The right gauge is labeled 'SALINA HYGROMETER' and has a scale from 0 to 100 percent humidity. Both gauges have a single needle pointing to a value on the scale. The frame is made of light-colored wood and is set against a background of a wooden surface.
