Wallpapers

Design, craftsmanship and high-level technology are at the core of Tecnografica Italian Wallcoverings. Digitally printed on different types of materials, Tecnografica wallpapers are thought up to come into harmony with all kinds of furniture. Playing on inspirations, atmospheres and different subjects, the result is an incredible artistic and decorative effect.

Grafica, artigianalità e tecnologia di altissimo livello sono alla base della carta da parati Tecnografica Italian Wallcoverings. Stampate in digitale su diversi tipi di materiali, le carte da parati Tecnografica sono concepite per entrare in armonia con tutti gli arredi. Giocando su ispirazioni, atmosfere e soggetti differenti, il risultato è un incredibile effetto artistico-decorativo.

Decorative Panels

Decorative Panels by Tecnografica Italian Wallcoverings represent an innovative reality in the world of wallcoverings. The construction system used consists in sets of large-format panels with reduced thickness and in different finishes, characterized by an unprecedented graphic quality.

I pannelli decorativi Tecnografica Italian Wallcoverings rappresentano una realtà innovativa nel mondo del rivestimento delle pareti. Il sistema di realizzazione utilizzato consiste in set di pannelli di grande formato a ridottissimo spessore e in diverse finiture, caratterizzati da una qualità grafica senza precedenti. In più, sono totalmente personalizzabili in base al singolo progetto.

Wallpapers

Wallpaper collections by Tecnografica Italian Wallcoverings include both contemporary and evergreen designs in line with the latest trends, which are part of our most appreciated designs, and that enhance every environment. Our wallpapers reinterpret various styles and items to offer a huge choice of designs, able to get in harmony with the already present furniture and surfaces, but also aimed at creating a strong artistic and decorative impact.

All wallpaper designs are hand-crafted or digitally achieved by our designers, otherwise they are the result of exclusive collaborations with international brands and artists.

To Tecnografica, wallpaper also means technology and functionality. All the available finishes – from vinyl to ecologic and from waterproof to metal – create solutions for each environment, both residential and commercial.

Le collezioni di carta da parati Tecnografica Italian Wallcoverings comprendono sia design contemporanei in linea con le ultime tendenze, sia soggetti grafici evergreen, che rientrano tra le nostre grafiche più apprezzate ed esaltano le pareti di ogni ambiente. Le nostre carte da parati reinterpretano stili e temi differenti per offrire un'ampia scelta di soggetti, in grado di entrare in armonia con gli arredi e le superfici già presenti e creare così un effetto artistico e decorativo di grande impatto.

I design di tutte le carte da parati vengono realizzati artigianalmente o digitalmente dai nostri designer, oppure sono il frutto di esclusive collaborazioni con brand e artisti internazionali.

In Tecnografica, carta da parati significa anche tecnologia e funzionalità. Le diverse finiture a disposizione - dalle classiche viniliche all'ecologica, dall'idrorepellente alla metallizzata - creano soluzioni per ogni ambiente residenziale e commerciale.

New Designs Every Week

Not only new designs to discover, but new designs to discover every week. Tecnografica releases the creativity of its talented designers, who express their potential through innovative designs, thought up for every style and always updated with the current trends. Tecnografica can offer solutions for every kind of environment, always maintaining total freedom in planning and personalizing.

Non solo nuovi design da scoprire, ma nuovi design da scoprire ogni settimana. Tecnografica libera ogni giorno la creatività dei propri talentuosi designer, che esprimono tutto il loro potenziale attraverso grafiche originali, pensate per ogni stile e sempre al passo con le tendenze del momento. Tecnografica è così in grado di offrire soluzioni per qualunque tipologia di ambiente, mantenendo sempre la totale libertà di progettazione e personalizzazione.

Decorative Panels

Decorative Panels by Tecno-grafica Italian Wallcoverings represent a high innovative reality in the world of wall decoration. Our supply is composed by large format panels (until 150x300 cm) with very reduced thickness.

Thanks to the thirty-year experience in design and to the high-level technologies of acquiring and printing images, we manufacture panels characterized by an unprecedented design quality. Our collections include decorative panels for interiors with stone, mineral, marble, precious stones or decorative, abstract and industrial effects. Every design can be printed on various finishes, from glass to polycarbonate.

Moreover, decorative panels are available also in backlit version, thanks to Dècora LED and Dècora Glass Backlit, which take advantage of a uniform LED light, both white and RGB, creating an extremely scenographic effect.

I pannelli decorativi Tecnografica Italian Wallcoverings rappresentano una realtà ad alta innovazione nel mondo delle decorazioni per pareti. La nostra offerta è composta da pannelli di grande formato (fino a 150x300 cm) a ridottissimo spessore.

Grazie all'esperienza trentennale nel design per superfici e alle eccellenze tecnologiche di acquisizione e stampa delle immagini, realizziamo pannelli decorativi caratterizzati da una qualità grafica senza precedenti. Le nostre collezioni comprendono pannelli decorativi per pareti interne dall'effetto pietra, minerale, marmo e pietre preziose, oppure effetti decorativi, astratti e industriali. Tutti i design sono realizzabili in diverse finiture, dal vetro al policarbonato.

Inoltre, i pannelli decorativi sono disponibili anche in versione retroilluminata, grazie alle finiture Dècora LED e Dècora Glass Backlit, che sfruttano la luce a LED uniforme, sia bianca che RGB, creando un effetto estremamente scenografico.

The Company

Our history in the world of coverings began in 1992. The basic idea that has guided us from the beginning is to offer products of excellent quality, shaped through the most advanced design and technology. What has always characterized us is the ability to go beyond, to push ourselves further, to seek constantly new aesthetic solutions that can amaze and be industrially realized. We have never taken the easy paths. Sometimes we have pursued impossible dreams, like in an eternal challenge between fantasy and reality. The commitment and passion that drive us have always left something that has served to realize other projects capable of amazing.

Over the years, Tecnografica has become a world leader in the design sector for the ceramic industry. Drawing from its deep experience and recognized graphic expertise, Tecnografica has created Tecnografica Italian Wallcoverings, the brand that designs and produces wallpapers and decorative panels.

La nostra storia nel mondo dei rivestimenti inizia nel 1992. L'idea di base che ci guida fin dal principio è quella di offrire prodotti di qualità eccellente, modellati attraverso il design e la tecnologia più all'avanguardia. Quello che da sempre ci caratterizza è la capacità di andare oltre, di spingerci più in là, di cercare soluzioni estetiche sempre nuove, in grado di stupire e di essere realizzate industrialmente. Non abbiamo mai percorso le strade semplici. A volte abbiamo inseguito sogni impossibili, come in un'eterna sfida tra la fantasia e la realtà. L'impegno e la passione che ci spingono e ci sostengono hanno sempre lasciato qualcosa che è servito a realizzare altri progetti capaci di stupire.

Divenuta negli anni leader mondiale nel settore del design per l'industria ceramica, Tecnografica ha attinto dalla sua profonda esperienza e dalla sua riconosciuta competenza grafica per dare vita a Tecnografica Italian Wallcoverings, il brand che crea e realizza le carte da parati e i pannelli decorativi.
